UTAH Safety™ COUNCIL

Membership + Benefits

Since being founded in 1936, the Utah Safety Council has been dedicated to promoting safety and health through education, services, and products. Throughout its history, the Utah Safety Council has continued to expand its programs and services to provide the latest training, Safety Media Library Presentations, safety materials and other resources to business, industry and the community.

All member officials and employees of the Utah Counties Indemnity Pool receive a free membership with the Utah Safety Council. This infographic summarizes the benefits available to UCIP members through the Utah Safety Council.
